Description

The first volume of *Praying with Fire* was that rare book that captured people's hearts and minds, that ignited their imaginations and inspired their souls. With its breathtaking combination of spirituality and scholarship, and its practical five-minutes-a-day approach to understanding and improving our prayers, it created a quiet revolution in the prayers of the tens of thousands of readers who made it a not-to-be-missed part of their daily routine. *Praying with Fire 2* takes that revolution to an even higher level.

In *Praying with Fire 2* we continue our daily five-minute investment , as we learn how to deepen our connection to Hashem, how to use our prayers to strengthen our faith and use our faith to strengthen our prayers. Tefillah becomes a vehicle that helps us understand ourselves and the times we live in, as we come to understand how prayer fits into our own lives as well as Hashem's eternal plan. And of course, with its emphasis on the practical elements of praying with kavannah, with focus, fervor and intent, we are given the strategies we need to pray better - and to have our prayers accepted in heaven.

Praying with Fire 2 broadens the important lessons that began with the bestselling *Praying with Fire*. These are lessons that will show us how to take the words of prayer that we said by rote and ignite them, lessons that show us how to change the mumbled words of habitual tefillos and turn them into a true conversation with the Divine. And all in five minutes a day.
