Imagine being happy. Really happy.

It can happen.

The secret is emunah.

The Living Emunah series has sold more than 100,000 copies to people who want to strengthen their emunah -- the belief that Hashem is involved in all aspects of our lives, that He loves us and knows what's best for us.

Teens today have questions and problems and concerns all their own - and now they have a book that's written just for them - Living Emunah for Teens, adapted from Rabbi David Ashear's bestselling Living Emunah.

In realistic scenarios and true stories, teens will learn how emunah can change and enrich their lives. How emunah can free them from anger or jealousy. How they can find the good in everything and everyone - including themselves. Every segment also includes a "Make it Real" guide, to help bring the lessons of emunah into their lives. Living Emunah for Teens. Because emunah is for everyone!
