Description

Tehillim (Psalms) - the timeless words of King David, the first that Jews in every generation have turned to in times of trouble and times of joy. Tehillim - words of praise from the "Sweet Singer of Israel," sung as a plea for salvation from his pursuers and in thanksgiving for G-d's miracles. Tehillim - the service of the heart par excellence.

But Tehillim can be more than a vehicle for salvation, for solace, for expressing thanksgiving. If we apply ourselves and delve into the treasures nestled within its sacred words, it offers a means of coming closer to our Creator. To go beneath the surface, Tehillim shows the way to improve - even drastically change - our lives.

Rabbi Zelig Pliskin, noted author of numerous inspiring books, presents us with the key to Tehillim's hidden treasures. In his captivating style, he offers analyses of many verses of Tehillim with practical suggestions for how to implement their message to transform our lives. This work is replete with anecdotes illustrating how such sage advice has helped people achieve success. Growth Through Tehillim is an invaluable aid to anyone seeking a happier, more meaningful life.
