And what treasures they areà . our health, our ability to find a spouse and build a Jewish home, our success in raising our children, our safety, security, livelihood. Everything.

Praying With Fire is a 5- minute- a day program developed by **Rabbi Heshy Kleinman**, who has researched, taught and spoken on the topic of tefillah for many years. Now he brings his passion and knowledge to the printed page.

This work is a brilliant combination of in- depth scholarship and pure inspiration, all in

an easy- to- use daily learning format. Day by day, step by step, you will find your tefillah becoming stronger, more meaningful and more effective.
